

STOP WORK ORDER POLICY

GME Carbon places emphasis on the safety and health for all employees and will provide a safe and healthy working environment, and at the same time maintain the natural environment by complying with all the regulations that have been set.

It is the policy of the company that all employees, including those having business dealings with the company, have the right to stop work when there is an immediate threat to the safety and health of the employees or that of others.

At the same time, it is equality the duty of every individual to exercise personal responsibility and do everything to prevent injury to himself and to his colleagues. This includes stopping and reporting any unsafe act unsafe condition and reporting all accidents at their workplace to his immediate superior.

GME Carbon requires its employees, contractors and subcontractors and their employees, as well as third parties within its premises to adhere to this policy at all times.
