## QUALITY & ENVIRONMENTAL POLICY

We manufacture Graphite & Carbon Products, Precision Jigs & Fixture for Aerospace & Semi-Conductor Industries.

We are committed to customer satisfaction by providing high quality products and services as well as contributing towards a sustainable environment. As such, we shall:

- a) **Satisfy applicable requirements and fulfill our compliance obligations** which relate to our products and environmental aspects, by ensuring that customer and applicable statutory & regulatory requirements are determined, understood and consistently met.
- b) **Protect the environment** by prevention of pollution and conservation of natural resources.
- c) **Continually improve the integrated management system** to enhance quality and environmental performance, by regularly reviewing its performance and implementing necessary actions to enhance its suitability, adequacy and effectiveness.
